## **Significant Risks**

### **This Product May Not Match Your Expectations**

This product may not match your expectations (for example, because an exclusion applies). You should read the PDS (Part A of this document) and the Policy Terms and Conditions (Part B of this document) carefully. Please ask your Financial Services Provider if you are unsure about any aspect of this product.

The Policy will not cover some health problems you have before you take out cover. Health problems not covered are those that are chronic or that we think are likely to recur.

### **Under Insurance**

The Policy will pay you the amount of earnings you have lost up to the weekly benefit sum insured you choose.

### **Overdue Premium**

You must pay your premium on time otherwise your Policy may not operate.

If you have not paid by the due date or your payment is dishonoured, this Policy will not operate and there will be no cover.

For more detailed information regarding payment options refer to the section headed 'How you can pay your premium' in Part B (Terms and Conditions).

### **A Claim May Be Refused**

We may refuse to pay or reduce the amount we pay under a claim if you do not comply with the Policy conditions, if you do not comply with your Duty of Disclosure, or if you make a fraudulent claim.

## **The Cost of this Insurance Policy**

The total premium is the amount we charge you for this insurance Policy. It includes the amount which we have calculated will cover the risk, and any taxes and government charges. The premium and any taxes and government charges will be shown on your Policy Schedule.

When calculating your premium we take a range of rating factors into account. These factors, and the degree to which they affect your premium, will depend upon the information you provide to us.

The following factors have a significant impact on the calculation of your premium:

- your insurance history and that of any person to be covered by this Policy
- the number of people to be covered by this Policy
- the type of sport you or any insured person will be participating in
- the sums insured you have chosen.

You should arrange your method of payment through your Financial Services Provider. A quote for premium may be obtained from your Financial Services Provider.

### **Duty of Disclosure – What you Must Tell Us**

Under the Insurance Contracts Act 1984 (the Act), you have a Duty of Disclosure. The Act requires that before a policy is entered into, you must give us certain information we need to decide whether to insure you and anyone else to be insured under the policy, and on what terms. Your Duty of Disclosure is different, depending on whether this is a new Policy or not.

#### **New business**

Where you are entering into this Policy for the first time (that is, it is new business and is not being renewed, varied, extended or reinstated) you must tell us everything you know and that a reasonable person in the circumstances could be expected to tell us, in answer to the specific questions we ask.

When answering our questions you must be honest.

- **Who needs to tell us**

It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by the Policy.

- **If you do not tell us**

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the Policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the Policy as never having worked.

#### **Renewals, variations, extensions and reinstatements**

Once your Policy is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your Policy, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under the Policy, and if so, on what terms.

- **You do not have to tell us about any matter:**

- that diminishes the risk
- that is of common knowledge
- that we know or should know in the ordinary course of our business as an insurer, or
- which we indicate we do not want to know.

- **If you do not tell us**

If you do not comply with your Duty of Disclosure we may reduce or refuse to pay a claim or cancel your Policy. If your non-disclosure is fraudulent we may treat this Policy as never having worked.

### **Privacy**

Privacy legislation regulates the way private sector organisations can collect, use, keep secure and disclose personal information. We are bound by the Privacy Act 1988 (Cth) and its principles when collecting and handling your personal information. QBE Commercial has developed a privacy policy which explains what sort of personal information we hold about you and what we do with it.

We will only collect personal information from or about you for the purpose of assessing your application for insurance and administering your insurance policy, including any claims you make.

We may need to disclose personal information to our reinsurers, (who may be located overseas), insurance intermediaries, insurance reference bureaus, credit reference agencies, our advisers and those involved in the claims handling process (including assessors and investigators), for the purposes of assisting us and them in providing relevant services and products, or for the purposes of litigation.

By providing your personal information to us, you consent to us making these disclosures. Without your personal information we may not be able to issue insurance cover to you or process your claim.

Please contact your Financial Services Provider to obtain a copy of the QBE Commercial Privacy Promise information brochure. A copy of the brochure may also be obtained from any QBE Commercial office or from our website at [www.qbecommercial.com](http://www.qbecommercial.com)

### **The General Insurance Code of Practice**

QBE Insurance (Australia) Limited is a signatory to the General Insurance Code of Practice. The Code aims to raise standards of practice and service in the insurance industry.

It:

## How to Make a Claim

Please contact your Financial Services Provider to make a claim. We will only accept responsibility for repairs or payments to third parties under a claim where you have told us about them beforehand and we have accepted your claim. Full details of what you must do for us to consider your claim are provided in the Claims section in part B of this booklet.

## Dispute Resolution

We will do everything possible to provide a quality service to you. However, we recognise that occasionally there may be some aspect of our service or a decision we have made that you wish to query or draw to our attention.

We have a Complaints and Dispute Resolution Procedure which undertakes to provide an answer to your complaint within 15 working days.

If you would like to make a complaint or access our internal dispute resolution service please contact your nearest QBE Commercial office and ask to speak to a dispute resolution specialist.

If you are not happy with our answer, or we have taken more than 15 working days to respond, you may take your complaint to the Insurance Ombudsman Service (IOS), an ASIC approved external dispute resolution body.

The Insurance Ombudsman Service (the Service) resolves certain insurance disputes between consumers and insurers and will provide an independent review at no cost to you. QBE Commercial is bound by the determination of the Service but the determination is not binding on you.

We will provide the contact telephone number and address of the IOS office upon request.

## Taxation Implications

### Goods and Services Tax

The Policy has provisions relating to GST. In summary, they are as follows but please read the provisions in full. They can be found in Part B Terms and Conditions, under the heading 'How Goods and Services Tax affects any payments we make'.

- The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.
- When we pay a claim, your GST status will determine the maximum amount we pay.

### Other Taxation Implications

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend that you seek professional advice.

## Cancelling your Policy

### How you may cancel this Policy

- You may cancel this Policy at any time by telling us in writing that you want to cancel it. You can do this by giving the notice to your Financial Services Provider.
- Where 'you' involves more than one person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured.

### How we may cancel this Policy

- We may cancel this Policy in any of the circumstances permitted by law by informing you in writing.
- We will give you this notice in person or send it to your address last known to us.

### The Premium

We will refund to you the proportion of the premium for the remaining period of insurance.

## Cooling-off information

If you want to return your insurance after your decision to buy it, you may cancel it and receive a full refund. To do this you may notify your Financial Services Provider electronically or in writing within 21 days from the date the Policy commenced.

This cooling-off right does not apply if you have made or are entitled to make a claim. Even after the cooling-off period ends, you still have cancellation rights however your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non-refundable taxes.

If your Policy is for an event that will start and finish within the 21 day cooling-off period, you can only exercise your right before the event starts or the expiry of the cooling-off period, whichever is the earlier. For example, for travel insurance, the commencement of the journey is the event.

## **PART B – POLICY TERMS AND CONDITIONS FOR SPORTS INJURY POLICY**

(This Part does not form part of the Product Disclosure Statement)

### **Insurer**

The Policy is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFS Licence No. 239545 of 82 Pitt Street, Sydney.

### **Our agreement with you**

This Policy is a legal contract between you and us. You pay us the premium, and we provide you with the cover you have chosen as set out in the Policy, occurring during the period of insurance shown on your Policy Schedule or any renewal period.

The exclusions in the section(s) headed 'When you are not covered' and conditions in the section headed 'General Conditions' apply to all types of cover.

### **Your Policy**

Your Sports Injury Policy consists of Part B (Terms and Conditions) of this booklet and the Policy Schedule we give you.

Please read your Policy carefully, and satisfy yourself that it provides the cover you require.

If you want more information about any part of your Policy, please ask us, or your Financial Services Provider.

The address and telephone number of your QBE Commercial branch are on your Policy Schedule.

You should keep your Policy Booklet and Policy Schedule together in a safe and convenient place for future reference.

### **Providing Proof**

You should keep documents you will need in case of a claim – for example, documents which substantiate your earnings and any medical certificates that relate to your claim.

### **Jurisdiction**

This Policy will be governed and construed in accordance with the laws of the state or territory in Australia in which your registered address is located. You irrevocably and unconditionally agree to submit to the non-exclusive jurisdiction of the courts of that state or territory.

### **How you can pay your premium**

You can pay your premium in one annual payment by cash, cheque or credit card.

### **Paying Your Premium**

You must pay your premium by the due date. If we do not receive your premium by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

### **How Goods and Services Tax affects any payments we make**

The amount of premium payable by you for this policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- (a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST.
- (b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a Damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number & Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.
